

The Flink GmbH boasts over 18 years of award-winning product development experience. Our team of developers supports companies ranging from start-ups to international corporations, offering a comprehensive and diverse range of services – from conceptualization to series production of sophisticated products and implementation of marketing content.

To expand our team, we are looking for an immediate hire or at a mutually agreed upon time, a

Multimedia Producer/Visual Artist - (m/f/d)

(80-100% workload) based in Chur/Switzerland

With your keen sense for storytelling, perspectives, typography, proportions, colors, and pacing, you infuse your graphics, video messages, and Blender animations with a special visual power of persuasion. As such, you become an essential support for our services in development, communication, and sales.

Your Responsibilities

- Conceptualize and develop visual content, including graphics, animations, videos, interactive elements, and other multimedia assets.
- Create high-quality visual products for digital channels, such as websites, social media platforms, print materials, presentations, and other marketing materials.
- Collaborate with the marketing and development teams to understand the requirements for visual content and devise targeted solutions.
- Utilize design and multimedia software tools to implement and optimize visual projects.
- Consider market trends and current technologies to develop innovative and engaging visual concepts.
- Contribute to brand building and maintenance.

Your Profile

- Completed studies or comparable expertise in Multimedia Design, Visual Communication, Graphic Design, or a related discipline.
- Demonstrable experience in conceptualizing and producing high-quality multimedia content, preferably in a similar position or as a freelance Visual Artist.
- Excellent knowledge of common design and multimedia software, such as Photoshop, Illustrator, After Effects, XD, Da Vinci-resolve.
- Ability to develop creative concepts and transform visual ideas into appealing and impactful content.
- Experience with video production, 2D/3D animation, and visual effects is advantageous.
- Team player with the ability to work effectively in a dynamic, project-based environment.
- Excellent communication skills and the ability to give and receive feedback.
- Fluent in German and English

We offer you the opportunity to work in a creative and innovative environment, and to be part of a dedicated team. You will have the chance to showcase your creative talent and learn new tools to create appealing visual content. You will gain insight into diverse subject areas, challenging your abilities as a designer and storyteller.

If you wish to apply your passion for multimedia production and visual design in an exciting position, we look forward to receiving your application. Please send your resume, a portfolio of your work, and a motivation letter to, **Nicole Comminot, personal@flink.ch**
